

PNPI is excited to provide a digital credential to individuals who have completed our virtual Higher Education Boot Camp on Program Integrity. Offered on the Credly platform, digital badges can be displayed in email signatures, electronic copies of a résumé, and on social media sites like LinkedIn, Facebook, and Twitter. There is no fee for the badge, and acceptance of the badge lies with the participant once it is issued by PNPI.

What does a PNPI digital badge provide?

- A web-enabled version of your credential that can be shared online.
- A more efficient way of posting your credential(s) to social media platforms.
- Labor market insights that relate your skills to available jobs.
- A trusted method for real-time credential verification.

On Monday, November 15th, recipients who attended/viewed all required sessions by 5pm ET on Friday, November 12th will receive an email inviting them to claim their badge. Individuals must have completed the training by Friday, November 12th to receive the badge.

A preview of the badge is below. It can also be found at:
