

PNPI is excited to provide a **digital credential** to individuals who have completed our virtual College Cost Boot Camp on January 26-27, 2023. Offered on the Credly platform, digital badges can be displayed in email signatures, electronic copies of a resume, and on social media sites like LinkedIn, Facebook and Twitter. There is no fee for the badge, and acceptance of the badge lies with the participant once it is issued by PNPI.

### ***What does a PNPI digital badge provide?***

- A web-enabled version of your credential(s) that can be shared online.
- A more efficient way of posting your credential(s) to social media platforms.
- Labor market insights that relate your skills to available jobs.
- A trusted method for real-time credential verification.

**On Monday, January 30th, recipients who attended all sessions of PNPI's College Cost Boot Camp and completed a boot camp survey will receive an email inviting them to claim their badge.** Individuals must have attended each zoom session of the boot camp in order to be eligible for a digital badge.

A preview of the badge is below. It can also be found at:

[Additional Details](#)

#### **Issued by: Postsecondary National Policy Institute (PNPI)**

Earners of this badge have developed a foundational knowledge of college cost. Participants exit the boot camp with a general understanding of the sticker and net price of college, cost of attendance, college cost drivers, and provisions in current law meant to increase college affordability.
