

PNPI is excited to provide a **digital credential** to individuals who have completed our Program Integrity Boot Camp on January 25-26, 2024. Offered on the Credly platform, digital badges can be displayed in email signatures, electronic copies of a resume, and on social media sites like LinkedIn, Facebook and Twitter. There is no fee for the badge, and acceptance of the badge lies with the participant once it is issued by PNPI.

What does a PNPI digital badge provide?

- A web-enabled version of your credential(s) that can be shared online.
- A more efficient way of posting your credential(s) to social media platforms.
- Labor market insights that relate your skills to available jobs.
- A trusted method for real-time credential verification.

On Monday, January 29th, recipients who attended all sessions of PNPI's Program Integrity Boot Camp and completed a boot camp survey will receive an email inviting them to claim their badge. Individuals must have attended each session of the boot camp in order to be eligible for a digital badge.

A preview of the badge is below. It can also be found at:

2024 Program Integrity Boot Camp

Issued by [Postsecondary National Policy Institute \(PNPI\)](#)

Earners of this badge have developed a general understanding of what incentive compensation, misrepresentation, state authorization, and gainful employment are as they relate to higher education, and will review the regulatory history of each.
